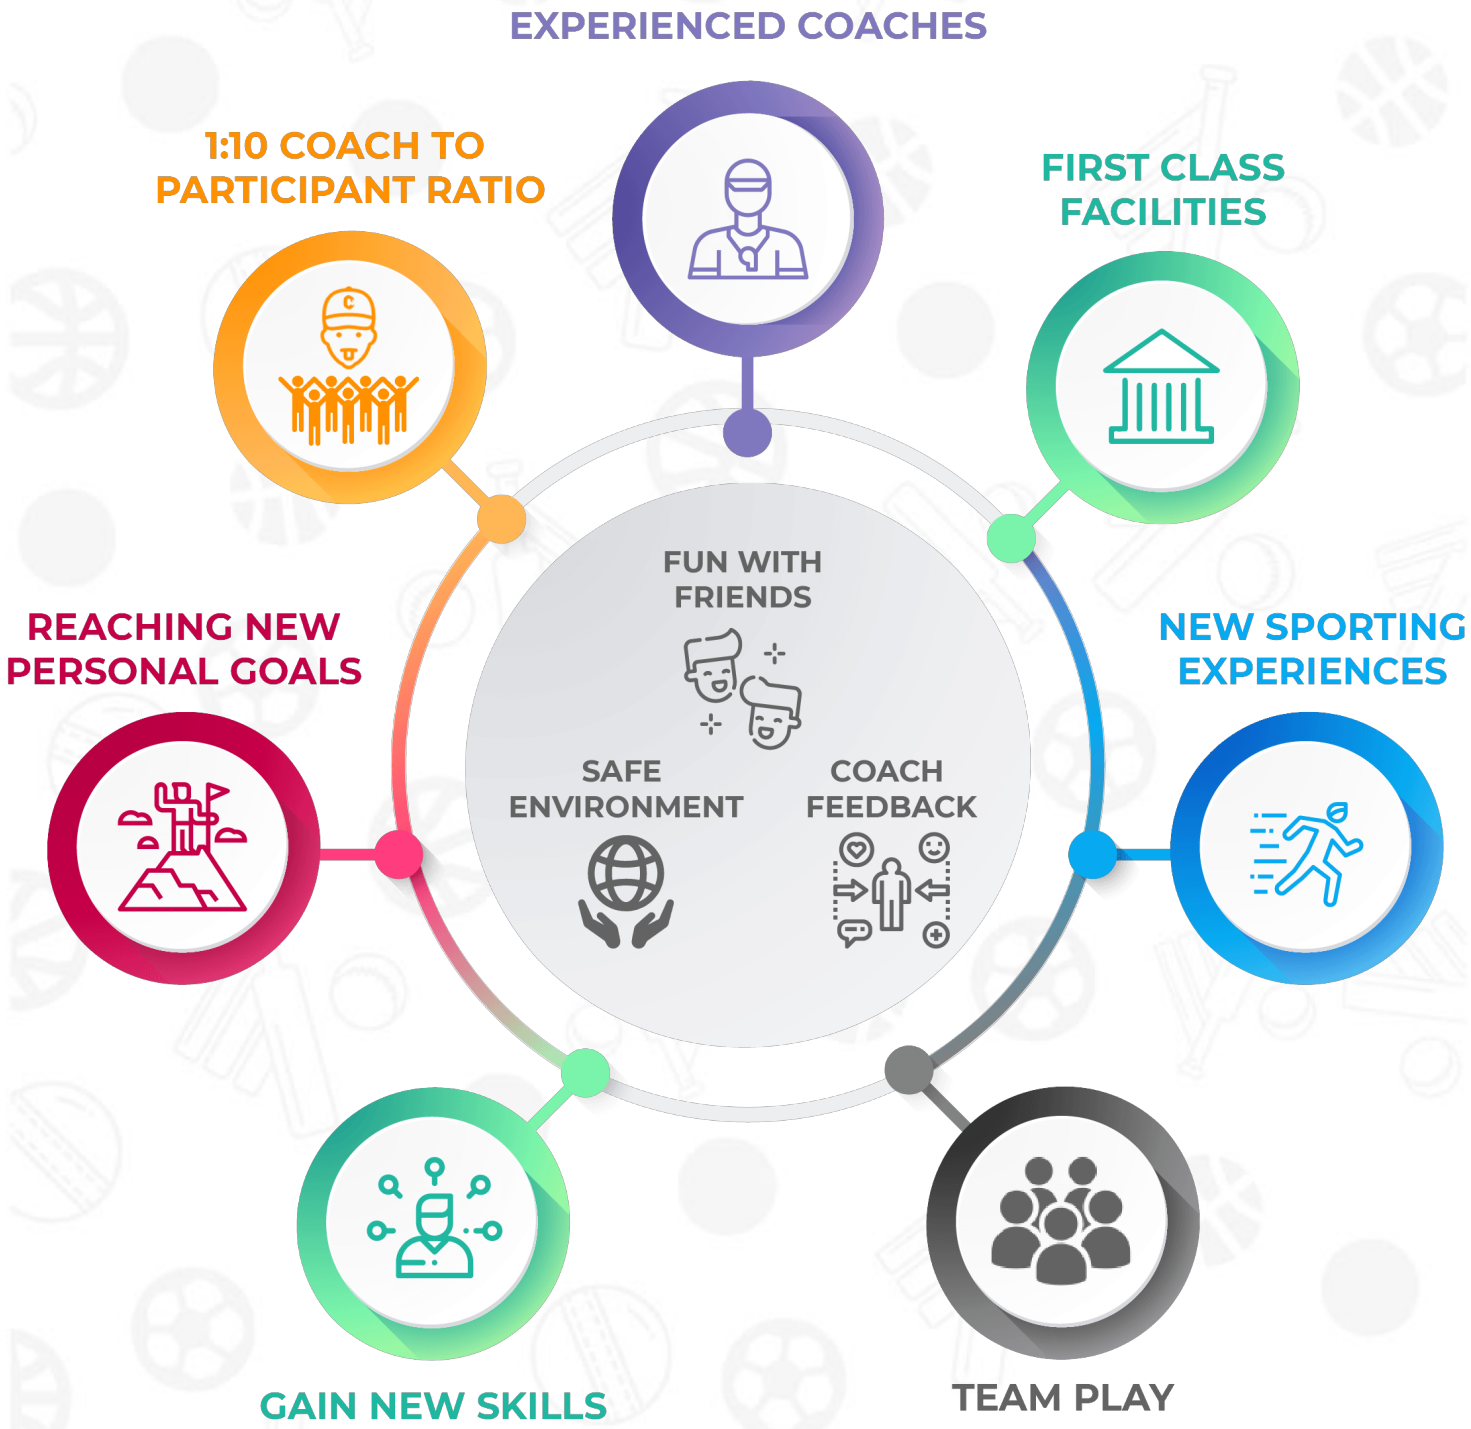
WHY ASC?

For Over 40 years, Australian Sports Camps have been recognised for the quality of our coaching staff and the delivery of our structured improvement-oriented programs that greatly enhance your child's sporting skills.

Our coaches are experienced, and often also qualified, many having played and/or coached at a senior level. Whether your child is trying the sport for the first time or is very experienced, our coaches will be able to deliver a program for their specific capabilities.



INFORMATION & FAQS

What to Expect

Our camps offer expert training, first class facilities and utilise quality equipment, providing a great opportunity for your child to personally develop and improve their sporting skills. Each camp offers a structured and tailored program which includes individual video analysis with coach feedback. With an average child to coach ratio of 10:1, we can guarantee that every child receives individual attention and care to enhance their experience and training at the camp.

At the end of each program, your child will receive an individually written coach report from their group coach, that highlights their progress over the 3 days. They will also recieve a complimentary group photograph and a certificate of achievement.

Safety

Our first priority is always the happiness, enjoyment and safety for all of our participants.

We have qualified first aid attendants on site at all times and apply a ZERO-tolerance policy towards bullying, disrespectful or unsafe behaviour. We value diversity and all staff, volunteers, students, children, parents and visitors must keep to our strict code of behaviour so that we continually strive to provide a safe and supportive environment for all.

We promote and adhere to the SunSmart recommendations of the Cancer Council of Victoria and therefore adopt many sun protection measures including sunscreen, hats and shade.
